

## **Authenticity**

Any items we sell are 100% authentic, there is a zero-tolerance policy from us for counterfeit goods. Our team has worked hard to build relationships to provide you with the best styles at our best possible price.

All products are brand new, with original accessories, such as tags and boxes, unless otherwise stated in the description of a product. Please read the description of all items for confirmation of what will be included in the sale whether it's used or a children's product.

We are not affiliated with the brands we sell. We are just a reseller of these products at competitive pricing.
